

Payment for Services & 1099's

Spafoo.com handles all transactions. You will not be responsible for accepting or processing payments. There are no add-ons or additional charges. The flat fee is standardized providing simplicity for the client. A booking fee is deducted immediately from the service price. The balance of the service fee will be electronically deposited in your checking account each Friday following the week of service, which ends on Sunday. You are responsible for providing accurate and up to date information for your direct deposit form and any other official forms completed. As an independent contractor we recommend you pay quarterly taxes. In January you will be mailed a 1099 for the sum total of your service fees for the entire year for your tax filing purposes.

Please submit the signed form below by email (manager@spafoo.com) or regular mail to 1101 Tchoupitoulas New Orleans, La. 70130
